Contact Telephone: 01691 679198

With a focus upon the private sector we are seeking a senior environmental consultant with experience in sustainability and green technologies – particularly associated with energy, water and waste.

The key task will be to develop this element of our business and to lead our consultancy team in these fields. We will require the successful candidate to:

- Participate in the strategic direction and growth of the company.
- Identify and follow up business opportunities with existing and new clients in liaison with the Directors and to manage/contribute to proposals and undertaking meetings with clients.
- Be responsible for achieving quality projects and innovative solutions.
- Apply experience and expertise in business management, interpersonal skills, communication, team working and flexibility to deliver best in class services to clients.
- Manage projects including work-planning, team briefing, budgeting and progress, project and financial monitoring in order to ensure that all projects are delivered within budget.

- Support the Directors and development of the team - managing and supervising activities, line managing internal and external consultants, and providing coaching and guidance to less experienced members of the team.
- Environmental qualifications and membership of an appropriate Institute – i.e. Institute of Environmental Sciences.
- Preferably experience in delivering 'sustainable solutions' to the Commercial & Industrial Sector possibly including Construction.
- Knowledge of green technologies that deliver a wide range of CO₂ savings.
- Experience in preparing Tenders/Quotations for the private sector.
- Proven project management skills.

Requirements;

- Dynamism and entrepreneurial flair

The successful candidate will be rewarded with an attractive salary and career opportunities within an exciting and passionate growing business.

The closing date for this post is 0900 on Monday 19th July 2010 and short-listed applicants will be notified shortly after the closing date.

Please send a two page CV and a one page Covering Letter to peterm@strateco.co.uk

Interviews will be held in Oswestry.
